

Learning Headquarters' Grade-Level-Specific, Standards-Based Writing Inservices

Each empowering, two-day, grade-level-specific training is designed to enhance your writing instruction. You will learn to:

- Master the nuances of the grade level's writing standards to increase expectations and improve instruction
- Focus on standards-based writing centered around the most powerful grade-level-specific, research-based tools, techniques, and strategies
- Implement a writing framework to ensure a cohesive system which differentiates instruction, meeting all students' needs
 - Demonstrate high-quality, at- or above-standard written examples
 - Guide all students through small-group, differentiated instruction with focused feedback
 - Empower students to write fluent, independent, and at-standard products
- Set the stage for outstanding, daily writing instruction
- Access high-level vocabulary to bridge the language gap and improve everyday writing
- Build powerful sentences to add completeness, variety, and complexity to student compositions
- Conquer grade-level writing genres through an effective sequence for instruction
 - Review a standards-based scoring guide
 - Analyze a student exemplar
 - Introduce and define the prompt/purpose
 - Progress through the stages of the writing process (prewriting, drafting, revising, and editing successive versions), utilizing graphic organizers to scaffold learning
 - Showcase at-standard writing
- Pace instruction through trimester-based teaching guides
- Assess grade-level genres, utilizing a monitoring system, to track progress and ensure that student data drives instruction

You will leave with a comprehensive handbook and extensive blackline masters to use immediately!
